

Dear Dancers,

Here's an example of the envelope for Bo Soma School of Dance picture day. You will need to fill out this prepaid envelope to have a photo taken. If you have 2 costumes, use 2 envelopes. If you want to be photographed in 3 costumes, use 3 envelopes. If you have a sibling and want a photo together you will need an additional envelope. This is how we keep track of what you have ordered for each pose. Use sign up genius for your specific time. There is a credit card slip in each envelope that you can seal inside. We accept VISA/MC/DISC. If you are using multiple envelopes and paying by credit card you can write out your info and grand total and write on the envelope that the payment is in the envelope #. Each envelope has a number in it. Or you can write your credit card number info in each envelope if you wish. There is a fee for using credit/debit cards \$5 each time, each package.
