

Irish Dance Shoes

The following are options for the purchase of **NEW** Irish Dance hard shoes. Keep in mind that Irish hard shoes are in UK Sizes. Each brand of shoe fits differently, so you may want to call and ask about sizing before you order.

Celtic Soles

For high quality Hard Shoes, I recommend Fays shoes. They sell for approximately \$165.00. Deirdre Morello of Celtic Soles is a new vendor but very knowledgeable about both hard and soft shoes (Ghillies). I recommend ordering directly from her.

For hard shoes you should ask for the Ultra Flexi Fays Shoes and the “split-soled” Ghillies.

You can contact Deirdre at (603) 247-9947 or by email: celticsoles24@gmail.com.

You can also order hard shoes and ghillies directly from Fays Shoes in New York. Call or check the website for pricing. Phone 914-662-1220

Rutherford is another good shoe that is high quality and tends to be a wider shoe. Call or check their website for pricing.

Corr's Irish Shoes

Good quality shoes at a reasonable price (approximately \$75.00).

For **USED** shoes, you might want to check eBay or ask around to other parents of current or former Irish Dancers.
