

## Irish Dance Shoes

The following are options for the purchase of Irish Dance shoes. Keep in mind that Irish hard shoes are in UK Sizes. Each brand of shoe fits differently, so you may want to call and ask about sizing before you order.

### FOR NEW SHOES:

For high quality Hard Shoes, we recommend Fays shoes. They sell for approximately \$165.00. Mary Devlin at Devlin Dance Shoes has been selling Irish dance shoes for over 25 years. She is based in Dedham, MA and is very knowledgeable about both hard and soft shoes (Ghillies). For hard shoes we recommend the Super Flexi Fays Shoes (Black Sole) and for Ghillies the Celtic Choice Split Sole Soft Shoe. You can contact Mary at (781) 405-0932 or by email: [mdmarydevlin@gmail.com](mailto:mdmarydevlin@gmail.com).

You can also order Hard Shoes and Ghillies directly from Fays Shoes in New York. Call or check the website for pricing. Phone 914-662-1220

Rutherford is another good shoe that is high quality and tends to be a wider shoe. Call or check their website for pricing.

### LESS EXPENSIVE OPTION FOR HARD SHOES:

A new option for less expensive hard shoes would be Corrs Shoes. We recommend either the Essential Jig Shoe or the Eco Power-Flexi Irish Dancing Jig Shoe.

### FOR USED SHOES:

This is an Irish Dance Message Board that deals exclusively with the selling of **used** Irish Dance Shoes. It is a tricky process because you have to know exactly what size you need and each brand of shoe fits a little differently. If you do correspond with a seller on this list, always ask to see pictures of the shoes so you will know what you are buying. The best brand of shoes is Fays; but Coors, Rutherford and Antonio Pacelli are good too.

Another option for used hard shoes. Again, you need to know exactly what size to buy.
