

Irish Dance Shoes

The following are options for the purchase of Irish Dance shoes. Keep in mind that Irish hard shoes are in UK Sizes. Each brand of shoe fits differently, so you may want to call and ask about sizing before you order.

FOR NEW SHOES:

Devlin Dance Shoes

For high quality Hard Shoes, we recommend Fays shoes. They sell for approximately \$165.00. Mary Devlin at Devlin Dance Shoes has been selling Irish dance shoes for over 25 years. She is based in Dedham, MA and is very knowledgeable about both hard and soft shoes (Ghillies). For hard shoes, we recommend the Super Flexi Fays Shoes (Black Sole) and for Ghillies the Celtic Choice Split Sole Soft Shoe. You can contact Mary at (781) 405-0932 or by email: mdmarydevlin@gmail.com.

You can also order Hard Shoes and Ghillies directly from Fays Shoes in New York. For hard shoes, we recommend the Super Flexi Fays Shoes (Black Sole) and for Ghillies the Celtic Choice Split Sole Soft Shoe. Check the website for pricing and online ordering.

Rutherford is another good shoe that is high quality and tends to be a wider shoe. Check their website for pricing and online ordering.

LESS EXPENSIVE OPTION FOR HARD SHOES:

Corrs is a good option for less expensive hard shoes. We recommend either the Essential Jig Shoe or the Eco Power-Flexi Irish Dancing Jig Shoe. Check their website for pricing and online ordering.
